**ACADEMIC HONESTY - DECLARATION OF UNDERSTANDING**

**Academic honesty**

International High School of Wrocław places a high value on academic honesty and on the skills required to conduct thoughtful, disciplined research that reflects authentic student work and respects the work of others. Our academic honesty policy is meant to guide students, parents, teachers, and administrators in learning the process of becoming personally and academically responsible users of information.

**Assessment calendar**

Turning work in on time is essential for success inside and outside of school. Our school assessment policy discusses the aims and types of assessment at IHSW in detail. It is especially important, however, that both students and parents are fully aware of the deadlines in the IHSW assessment calendar, which was created to 1) help students manage their workload and 2) ensure that externally assessed or moderated tasks are reviewed and submitted to the IB on time. Because the IB stipulates that failure to submit work by the deadline will result in no grade being awarded for the subject(s) and level(s) concerned, the Diploma Programme coordinator may refuse to register a candidate for the subject(s) and level(s) concerned in the fall of year two. The student must then register as a "retake" candidate for the following examination session.

**Declaration of Understanding:** To be signed by Students and Parents

I confirm that I have read, understood, and agree to abide by International High School of Wrocław's Academic Honesty Policy and Assessment Calendar.
