# SCHOOL NEWS

On the 14th of October on the occasion of Teacher's Day students organized a game based on "Who wants to be a millionaire?" for our teachers!

Teachers were asked a wide range of questions about their students and funny situations from school.

Everyone had fun. Teachers and older students could recall some funny and nostalgic situations from "the old days" and younger students could get to know more about the school's history.

Eventually the team of Ms. Magdalena Dąbrowska, Mrs. Joanna Oskroba, Mrs. Agnieszka Zielińska, Mr. Maciej Kulik, Ms. Natalia Rynkar, Ms. Ania Wiśniewska and Mr. Leszek Boczek won! Congratulations!

# WHO DID WE VOTE FOR?

## INTERVIEW WITH STUDENT COUNCIL PRESIDENT (ENG)

**Editorial office:** How do you feel as a student council president?

**Zuzanna:** It seems that only just now I feel that I am the president. Mostly because something finally starts to happen and therefore, I have to make a lot of decisions. I think that it is a very big responsibility.

**Editorial office:** Why did you take part in the election?

**Zuzanna:** Mostly experience. I was the class president for two years, I participated in many student council meetings and I saw student council presidents work, so I wanted to try this role myself.

**Editorial office:** How can you influence the school?

**Zuzanna:** I want to focus on bringing unity to the school community. Despite the competitiveness with each other, I would like to create a relatively friendly atmosphere where everyone can rely on each other.

**Editorial office:** What makes you different from other candidates?

**Zuzanna:** It seems that other contestants focused on straight facts and plans. I think the main difference between us was that I wanted to listen to everyone and respond to their needs. My point was a free conversation, I don't want to create an authoritarian system.

**Editorial office:** Do you think you will last?

**Zuzanna:** I think I will. I believe I'm a good leader. I'm a good student and I'm engaged in everything I do. I think I will last because I have the predisposition to do so.

## INTERVIEW WITH STUDENT COUNCIL PRESIDENT (PL)

**Redakcja:** Jak się czujesz w roli przewodniczącej?

**Zuzanna:** Mam wrażenie, że dopiero teraz czuję, że jestem przewodniczącą. Przede wszystkim dlatego, że w końcu zaczyna się coś dziać i w związku z tym muszę podejmować wiele decyzji. Wydaje mi się, że to bardzo duża odpowiedzialność.

**Redakcja:** Co skłoniło Cię do wzięcia udziału w wyborach?

**Zuzanna:** Przede wszystkim doświadczenie. Byłam przewodniczącą klasy przez dwa lata, uczestniczyłam w obradach samorządu i miałam do czynienia z wieloma przewodniczącymi, więc sama chciałam spróbować swoich sił w tej roli.

**Redakcja:** Co myślisz, że możesz wnieść do szkoły?

**Zuzanna:** Chcę skupić się na wniesieniu jedności społeczności szkolnej. Pomimo wszechobecnego konkurowania i porównywania się ze sobą, chciałabym stworzyć w miarę przyjazną atmosferę, gdzie każdy może na sobie polegać.

**Redakcja:** Co wyróżnia Cię od innych kandydatów?

**Zuzanna:** Wydaje mi się, że moja konkurentka skupiła się na zaproponowaniu konkretnych założeń. Myślę, że to była głównie ta różnica, że chciałam wysłuchać wszystkich i odpowiedzieć na ich potrzeby. Chodziło mi o to, aby to była wolna rozmowa, nie chcę tworzyć autorytarnego systemu.

**Redakcja:** Czy myślisz, że podołasz tej funkcji?

**Zuzanna:** Sądzę, że podołam. Myślę, że jestem raczej dobrym liderem. Bardzo dobrze sprawuję się w szkole i jestem zaangażowana we wszystkie projekty. Mam wrażenie, że podołam, gdyż mam do tego predyspozycje.

# WHERE HAVE WE BEEN?

This time we went to the amazing cafe called "Słodziej smaku"! It is located on Cukrowa 1C street.

Its originality comes from stunning desserts. They offer a delicious journey through multiple flavors and textures. Brownies, plum cakes, apple cakes, eclairs, meringues, cupcakes, cheesecakes, tiramisu, and all sorts of seasonal sweets (for autumn it is a pumpkin cheesecake and carrot cake).

There's an option for everyone. They offer vegan desserts and you do not have to worry about your allergies because they are listed below every individual cake.

Moreover, they accept your container if you own one however if you do not you get your mini-masterpiece in a biodegradable one.

It is a small place with a really friendly atmosphere. A part of a kitchen is open for customers, so you know that everything is fresh.

If you always wanted to try those beautiful desserts with multiple layers and flavors, you should give this place a try!

An illustration of a woman with long dark hair, a prominent black mustache, and a red hood. She is wearing a dark blue dress with a white and brown patterned bodice. She holds a large, dark red umbrella. The scene is filled with numerous pink and red roses with green leaves. The background is a light, hazy sky with soft clouds. The text 'Chapter One' is overlaid in the center in a large, white, outlined font.
